Some states and jurisdictions do not allow limitations on duration of an implied warranty, so the above limitation may not apply to you. To the extent allowed by applicable law, implied warranties on the Software, if any,

are limited to ninety (14) days. The Company's and its suppliers' entire liability and your exclusive remedy shall be, at The Company's option, either (i) return of the price paid, if any, or (ii) repair or replacement of the Software that does not meet The Company's Limited Warranty and which is returned to The Company with a copy of your receipt. AGREEMENT SHALL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY THE DEVELOPER FOR THE SOFTWARE PRODUCT. Because some states and jurisdictions do not allow the exclusion or limitation of liability, the above limitation may not apply to you. If The Company, in its discretion, requests written verification of an error or malfunction discovered by The Developer or requests supporting example files that exhibit the Software problem, The Developer shall promptly provide such verification or files, by email, setting forth in reasonable detail the respects in which the Software fails to perform. The Developer shall use reasonable efforts to cooperate in diagnosis or study of errors. Updates of the operating system and application software not specifically covered by this Agreement are your responsibility and will not be provided by The Company under this Agreement. The Company shall be under no obligation to provide the above technical support if, in The Company's opinion, the Software has failed due to the following conditions: (i) damage caused by the relocation of the Software to another location or CPU; (ii) alterations, modifications or attempts to change the Software without The Company's written approval; (iii) causes external to

the Software, such as natural disasters, the failure or fluctuation of electrical power, or computer equipment failure; (iv) your failure to maintain the Software at The Company's specified release level; or (v) use of the Software with other software without The Company's prior written approval. In addition the Agreement governing your use of a previous version of the Software that The Developer have upgraded or updated is terminated upon your acceptance of the terms and conditions of the Agreement accompanying such upgrade or update. Upon any termination of the Agreement, The Developer must cease all use of the Software that this Agreement governs, destroy all copies then in your possession or control and take such other actions as The Company may reasonably request to ensure that no copies of the Software remain in your possession or control.

7. THIRD PARTY SOFTWARE

The Software may contain third party software that requires notices and/or additional terms and conditions. By accepting this Agreement, The Developer is also accepting the additional terms and conditions, if any, set forth therein.
